## Our service

- Bars can be cut to length on our high performance bandsaw
- Delivery with test certification 3.1
- Inspection certificate 3.2 for all classifications possible (TÜV, LRS, GL, DNV...)

Alloys used for following range of applications such as

- |   |   |
|---|---|
| <ul style="list-style-type: none"> <li>• Chemical processing industries</li> <li>• Industrial furnace construction</li> </ul> | <ul style="list-style-type: none"> <li>• Offshore</li> <li>• Powerplant construction</li> <li>• Petrochemicals</li> </ul> |
|---|---|

## Your key benefits

- Short term and controllable material purchasing
- Tailor made solutions for your specific applications from one source
- Time saving by fast and flexible handling
- Scrap metal management
- Technical know-how and material recommendation by our application engineers in question of the optimal material usage
- Cutting of sheet and plate
